

OPEN ACCESS POLICY

Authors, their research institutes and funding agencies can make their articles permanently free of cost for readers on paying an Article Publishing Charges (APC). It is strictly author's choice and not mandatory for publication.

Why Open Access?

1. Articles are freely available to readers without price barriers immediately after publication.
2. Published material can be re-used with proper citations.
3. Wide publicity for articles / book chapters and sole books.
4. Rigorous peer reviews for every manuscript published as open access.
5. Rapid online publication on home page of **GATHA COGNITION™**.
6. High online visibility at www.gathacognition.com
7. Higher possibilities of citations in reputed journals, books, reports, theses, dissertations, etc.
8. It is green publication.

Article Publishing Charges (APC)
